

HCSA-IP NETWORK (H19-101)

- 1、Huawei CloudFabric data center network was named "Customer's Choice" by Gartner Peer Insights for Data Center and Cloud Networking.
 - True
 - False
- 2、Each AP needs to be designed to cover as large an area as possible in order to provide better coverage in a high-density scenario.
 - True
 - False
- 3、NE40E-M2K-B can also be recommended for customers to deploy new networks in 2021.
 - True
 - False
- 4、S12700E can be used in the core of a large campus network.
 - True
 - False
- 5、AirEngine 6760 series is economical model?
 - True
 - False

6、 Huawei AirEngine 8760-X1-PRO support 16 spatial streams + flexible radio mode switching

True

False

7、 Some CloudEngine S Series Switches can't be managed by Cloud-based iMaster-NCE.

True

False

8、 AI-Fabric is Huawei developed technology helping to build ethernet network with zero packet loss, but the effect is not as good as FC or IB.

True

False

9、 Huawei router products ranked NO.1 in global market by IDC.

True

False

10、 The VRP(Versatile Routing Platform) has been widely applied to Huawei IP network devices, including switches, routers, WLAN, security and access devices.

True

False

11、 Which of the following is Huawei Next-Generation NetEngine AR Branch Routers?

A. S12700 series

B. AR6xx series & AR6xxx series

C. CE16800 series

12、 Huawei ranks ___ in the industry in terms of the number of IETF drafts and authors.

- A. No.3
- B. No.5
- C. No.4
- D. No.2

13、 which is the most challenging work for IT Manager to manage so many network firewalls which are deployed in so many different areas?

- A. Policy management
- B. Complex Business
- C. High Latency
- D. High Cost

14、 Now, which is the flagship indoor Wi-Fi AP?

- A. AirEngine 5760-51
- B. AirEngine 9700D-M
- C. AirEngine 8760R
- D. AirEngine 8760-X1-PRO

15、 Which is not the new requirement at cloud Era on IP networks?

- A. Equipment must be compact
- B. one-hop to the cloud
- C. Higher bandwidth
- D. SLA assurance

16、 Which is not Huawei CloudEngine S switch?

- A. S7700
- B. S12700E-4
- C. NE9000
- D. S12700E-8

17、 Which is the next-generation Video Backhaul Switch?

- A. S5735-S-I
- B. S5735-S
- C. S5735-S-IA
- D. S5735-L

18、 Which Products are for Campus Network?

- A. CloudEngine Switch
- B. CloudEngine S Switch
- C. NetEngine Router

19、 Which model does not support Vxlan function?

- A. CloudEngine 6820-48S6CQ
- B. CloudEngine 6881E-48S6CQ
- C. CloudEngine 6863-48S6CQ
- D. CloudEngine 6881-48S6CQ

20、 What is the ranking of Huawei ethernet switches in global market by IDC?

- A. NO.2
- B. No.3
- C. No.4
- D. No.5

21、 Huawei Next-Generation NetEngine AR Branch Routers, which one is the 2Gbps~6Gbps?

- A. NetEngine AR6121
- B. NetEngine AR651
- C. NetEngine AR6140
- D. NetEngine AR6280

22、 Huawei Security Products Family ,which one is the NGFW?

- A. AntiDDoS8000
- B. USG9500
- C. USG6615E
- D. USE6510E

23、 Which model is the100GE switch?

- A. CloudEngine 6881-48S6CQ
- B. CloudEngine 6881E-48S6CQ
- C. CloudEngine CE8850-64CQ-EI
- D. CloudEngine 6820-48S6CQ

24、 Which huawei product is mapping to C9600?

- A. S5732-H
- B. S12700E
- C. S6730-H
- D. S7700

25、 Which is Huawei datacom switch product?

- A. NE8000
- B. NE9000
- C. NE40E
- D. CE16800

26、 Mapping Between Huawei's Next-Generation NetEngine AR Series Routers and Cisco ISR Series Routers,which product is mapping to ISR4461?

- A. AR6140
- B. AR6121
- C. AR6280
- D. AR6300

27、 What is the target audience for Huawei Certified Sales Associate(HCSA)?

- A. Commercial Clients
- B. Partners

28、 Which series can be used in Commerical Market?

- A. S5700
- B. S7700
- C. S6700
- D. S12700E

29、 Which of the following AP is the most economical one providing optical uplink port (SFP+)?

- A. AirEngine 6760-X1
- B. AirEngine 8760-X1-PRO
- C. AirEngine 5760-51

30、 Compared with other vendors, the NetEngine 8000-M14/M8 have compact advantages. What is the depth of the NE8000-M14/M8 series?

- A. 200mm
- B. 400mm
- C. 300mm
- D. 220mm

31、 Which are the aggregation routers of Huawei NetEngine series routers?

- A. NetEngine 8000 F1A
- B. NetEngine 8000 M1A
- C. NetEngine 8000 M14
- D. NetEngine 8000 M8

31、 Which features are Huawei Campus Switch advantage?

- A. Better Forwarding Performance
- B. Big FIB/MAC specification
- C. Free Mobility
- D. Native AC

32、 Which are the acces routers of Huawei NetEngine series routers?

- A. NetEngine 8000 M8
- B. NetEngine 8000 F1A
- C. NetEngine 8000 M1A
- D. NetEngine 8000 M6

32、 Which of the following are Huawei HiSec solution products?

- A. SecoManager
- B. FireHunter
- C. USGXXX
- D. CIS

33、 What are the selling points for Huawei AR routers?

- A. Most Comprehensive Service Functions
- B. Most Reliable Router
- C. Most Convenient Management

34、 What features does the Huawei next-generation Wi-Fi 6 products have?

- A. Industry-unique SmartRadio technology
- B. Ultra-broadband access and ultra-high-speed experience
- C. Flexible expansion into IoT applications

34. Which are Huawei CloudFabric DCN Solution highlights?

- A. SDN controller iMaster-NCE support 1-3-5 intelligent O&M
- B. Huawei high performance datacenter switches help to build zero packet loss ethernet network
- C. Huawei high performance datacenter switches help to build a Wi-Fi 6 high-speed channel
- D. Supporting high density switch CE16800

35. Which of the following support voice function?

- A. NetEngine AR6280
- B. NetEngine AR617VW
- C. NetEngine AR651
- D. NetEngine AR617VW-LTE4EA

35. Huawei CE switches come in a complete range: from high-end, high-density 100 GE core switches; to low-end, GE downlink fixed switches. What types of line cards do Huawei CE switches provide? ()

- A. 40GE
- B. 10GE
- C. 100GE
- D. GE

36. Why Huawei IP Products?

- A. Standardization & Open Architecture
- B. Customer-centric IP Network Solutions
- C. Future-oriented Performance
- D. High-Quality Cost-Effective Products
- E. Distributed Global R&D Capability

37、 Which main scenarios Huawei Campus Switch focus on in outside China ?

- A. ISP
- B. Large Enterprise
- C. Education
- D. Media

38、 Which one is IoT Gateway?

- A. AR6121
- B. AR502H-5G
- C. AR651
- D. AR502H

38、 Which scenarios does Huawei Wi-Fi solution applicable to?

- A. Office IoT
- B. VR class/game
- C. High-density stadium

39、 Which one is AR router key feature?

- A. high performance
- B. Hyper convergence
- C. in house design and controllability
- D. simplified o&M

39、 What are the sales scenarios for CloudEngine S series switches?

- A. Government
- B. Hospital
- C. SMB
- D. Education

40、 What feature does CloudEngine S5735-S-IA have as the next-generation outdoor backhaul switch?

- A. Easy O&M
- B. High reliability
- C. Easy deployment

40、 Which one is AR router key feature?

- A. Hyper convergence
- B. in house design and controbility
- C. simplied o&M
- D. high performance

41、 Which are the WiFi new Challenges of Enterprises' Digital Services?

- A. High reliability of mobile production activities
- B. Experience assurance in the case of environment changes
- C. 10-fold increase in bandwidth requirements

41、 Which of the following benefits can Huawei Wi-Fi 6 solution offer?

- A. Wi-Fi and IoT converged architecture, reducing the TCO of the entire network by 50%
- B. Lossless intelligent roaming, with zero packet loss for services
- C. Built-in smart antenna, improving signal quality by 100%

42、 Which products of Huawei won the Best of Show Award of Interop in 2019?

- A. CloudEngine Switch
- B. Routers
- C. Wi-Fi 6
- D. CampusInsight

42、 What are the opportunities for Huawei NetEngine series routers in the government industry?

- A. Traditional backbone
- B. e-Government
- C. Education backbone NREN(National research and education network)
- D. National broadband
- E. Safe city

43、 Huawei NetEngine AR Series Routers, which products are the HQ/Large branches?

- A. NetEngine AR6300
- B. NetEngine AR6121
- C. NetEngine AR6140-9G-2AC
- D. NetEngine AR6280

43、 What are the selling points for Huawei AR routers?

- A. Most Convenient Management
- B. Most Comprehensive Service Functions
- C. Most Reliable Router

44、 Which are main sale scenarios for Huawei NE routers?

- A. ISP
- B. Energy
- C. Government
- D. Transportation

44、 Which cloud platform does iMaster-NCE support to integrate?

- A. vCenter
- B. Kubernetes
- C. Openstack
- D. HCS

45、 Which are Huawei datacenter switches?

- A. CE6881
- B. CE16800
- C. AP7060DN
- D. CE6863
